

7th Annual BMAC Memorial Baseball Tournament

To Whom It May Concern,

This year, the 7th Annual BMAC Memorial Tournament will be held May 21st & 22nd at the Brendon McLarty Memorial Baseball Complex in Perry, Oklahoma. Brendon died of a sudden severe asthma attack when he was 16 years old. Brendon's family started The Brendon McLarty Memorial Foundation, to honor his memory. In 2019, the foundation actively advocated for the signing of Senate Bill 381 (Brendon's Bill) which allows schools to stock albuterol inhalers in the event that a child suffers from respiratory distress. **To date, we have provided over 300 inhalers and 5500 disposable spacers to 64 school districts.** The purpose of this tournament is to raise funds in order to provide inhalers and disposable spacers to the remaining 476 school districts across the state. Please visit our website www.brendonmclartyfoundation.org for more information.

We need your help so the foundation can continue its mission- **TO HONOR THE LIFE OF BRENDON MCLARTY BY FIGHTING ASTHMA THROUGH EDUCATION AND AWARENESS.** Below is a list of sponsorship opportunities.

- MVP Field Sponsor - \$5000
- Grand Slam - \$2000
